

PRO® 888C CARPET PROTECTION TAPE

Technical Data Sheet

Pro® 888C is a clear carpet protection film tape.

Features & Benefits:

Clear film allows see-through detection of carpet color to avoid installation errors

Strong film removes in one easy piece without tearing or silvering

Provides superior carpet protection against ultra-high traffic abrasion

Puncture resistant against high heels, tools and other sharp objects

Bonds to various stain-resistant treatments

Technical Data

⇒ Backing: Co-extruded Multi-polymer

⇒ Adhesive: Acrylic

⇒ Total Tape Thickness: 3.0 mils

⇒ Tack Level: High

⇒ Tensile Strength: 11 lbs. per inch

⇒ Elongation: 630%

⇒ The maximum protection time is 45 days.

⇒ This product should not be used in high humidity conditions or in outdoor applications.

Application:

Pro® 888C is a clear co-extruded multi-polymer film coated with a very high-tack acrylic adhesive system designed especially to help provide temporary protection of automotive carpets, fabric interiors and carpeted door panels. Lies flat and creates a secure bond while still allowing for removability without tearing or slivering. Pro® 888C is recommended for temporary protection of carpet and fabric made from synthetic fibers. Users should determine if suitable for specific application.
